

## PROJECT 3 SPECIFICATIONS - TOPIC SELECTION

### TOPIC CHOICES

The list below contains 15 website topics to choose from. You may also choose to create your own topic. If you choose your own topic, I must approve it before you can continue with Project 3.

**NOTE:** Choose something that is special, meaningful, and that resonates with you! Do you like animals? Consider a farm or zoo. Do you like role playing games? Consider a hobby group or if you are a musician, consider making a website about that. Pick something that you will be personally interested in, something that you *want* to make a website about.

**You will NOT be allowed to change topics once approved.**

Website Topics
